## 920 YEARS OF SERVICE

Dedicated staff at SSE had four decades of hard work rewarded at a long service Awards ceremony in Reading, more than 20 SSE employees celebrated clocking up a total of 920 years' service between them. Their loyal achievement won them 40 company shares each and an extra day holiday.

The 23 staff, 10 of whom work for SSE Contracting and the remainder for the parent company SSE, all started their careers at the company in 1971.

Stuart Hogarth, director of distribution for SSE's Power Systems division, said: "This group of staff has been a real credit to our company. They've shown incredible loyalty and we're very grateful for all their hard work over the years".
